

K-BeauCareline® 

BIRD'S NEST Series

Lavish care for your skin enjoyment

K-BeauCareline® Bird's Nest Series is formulated using finest quality bird's nest. By combining Epidermal Growth Factor (EGF) of the medical industry and advanced extraction technology for active ingredients used in the products, it is a skin care line which improves and nourishes your skin inside and out, giving your skin an indulgence of bird's nest precious beauty properties!

- Repairs skin
- Reduces fine lines
- Anti-aging
- Improves skin elasticity
- Nourishes and hydrates the skin

Unlocking the secret of perfect skin

Since ancient times, bird's nest is being seen as precious skin care ingredient because bird's nest extract contains high quality active protein, various kinds of amino acids, collagen, fiber, trace elements and vitamins, of which 19 minerals are proved to be rich in antioxidants and EGF. The unique water-soluble protein and EGF of bird's nest encourage cell division, regeneration and rebuilding of tissues, which promote repairing of damaged skin and delay aging of skin cells so that skin appears smoother and firmer.

The bird's nest nutrients exist in a golden proportion which best suits the nutrition needs of human skin cells. **K-BeauCareline® Bird's Nest Series** could deliver moisture and nutrients straight to the skin cells to boost energy and the skin's regeneration mechanism so that the overall condition of the skin could be improved.

CLEANSE

DEEP PURIFYING CLEANSING GEL 130ml

Eliminates impurities & refreshes skin

Actions:

This gentle deep cleanser provides cleansing and make-up removing actions while it soothes and hydrates the skin effectively, leaving skin feeling fresh and supple. The addition of bird's nest extract gives energy and improves the skin condition effectively.

Directions of Use:

Apply evenly onto face and massage gently with fingertips until the gel combined with make-up and other dirt, rinse thoroughly with water.

MOISTURIZE

ULTRA-ESSENCE MOISTURIZING GEL 50ml

Instant hydrating, vitality & elasticity for the skin

Actions:

This light, oil-free moisturizer that is formulated with Sodium Hyaluronate can be absorbed by the skin rapidly to replenish moisture. Contains marine active ingredients and bird's nest extract to provide intensive hydration, reduce the appearance of fine lines as well as improve dry and dull skin. It also offers anti-oxidative and anti-aging benefits for skin that feels fresh, firm and moisturized.

Directions of Use:

Use in the morning and evening after Revitalizing Anti-aging Serum. Apply to face and tap gently until fully absorbed.

TONE

CLARIFYING TONING LOTION 130ml

Revitalises, reactivates & soothes skin

Actions:

Enriched with multiple plant extracts, minerals and micronutrients to boost skin moisture and invigorate skin cells, leaving skin feeling fresh. The addition of precious bird's nest ingredient gives nutrients to brighten the skin tone for a more radiant looking complexion.

Directions of Use:

After cleaning the face morning and evening, moisten a cotton pad with toning lotion and stroke over facial skin in outward motions.

PROTECT

MULTI UV PROTECTION SUNSCREEN – SPF 50 50ml

Moisturizes, softens & protects skin against UV rays

Actions:

This multipurpose sunscreen contains skin nourishing properties to hydrate as well as to conceal pores and fine lines, while providing efficient protection against UVA and UVB rays to help inhibit formation of melanin. The bird's nest extract energizes the skin for a smooth and supple complexion.

Directions of Use:

Use in the morning after Ultra-Essence Moisturizing Gel. Apply several dots onto face and gently blend outwards starting from the middle to both sides of the face.

VITALITY

REVITALIZING ANTI-AGING SERUM 50ml

Enhances skin cell reproduction, regenerative & nourishing

Actions:

Made from Corallina Officinalis Extract which acts to replenish and lock in moisture to create dewy looking skin. The Swiftlet Nest Extract nourishes and revitalizes the skin by aiding in reconstruction and regeneration of skin tissues.

Directions of Use:

Use in the morning and evening after Clarifying Toning Lotion, apply to face and tap gently until fully absorbed.
