

K-TRECIOS BOTANICAL BEVERAGE MIX **BLACKCURRANT WITH SPIRULINA**

*Natural Drink For
Health, Energy
& Vitality*

What Is Spirulina?

Spirulina is a blue-green plankton algae that has amazingly high nutritional profile. It is the world's richest natural source of vitamin B-12, has up to 70% amino acid and contains a whole spectrum of natural carotene and xanthophylls phytopigments. Spirulina has a soft cell wall made of complex sugar and protein. Its biggest difference compares to other algae is that it can be easily digested with a simple digestion process.

Concentrated Health Drink For Everyone

K-Trecious Botanical Beverage Mix Blackcurrant With Spirulina is a specially formulated nutrient-rich liquid containing spirulina (*Arthrospira Platensis*) from the USA. It is a safe whole-food, making it an ideal food supplement for people of all ages and lifestyles. **K-Trecious Botanical Beverage Mix Blackcurrant With Spirulina** is formulated through a special manufacturing process, which safeguards and preserves the efficacy of the natural ingredients.

Quick Energy Booster

Whilst most living organisms store their energy as carbohydrates, which the body may have to go through the decomposition process during digestion and convert it to glycogen for energy, spirulina can store its energy as glycogen. **K-Trecious Botanical Beverage Mix Blackcurrant With Spirulina** comes in liquid form, means that less digestion is required for our body to obtain its energy.

Natural Detoxification Power

K-Trecious Botanical Beverage Mix Blackcurrant With Spirulina is a natural cleanser. It cleanses and detoxifies our body's internal organs and helps eliminate toxins from our body. It also helps to ease intestinal problems by cleansing its tract and smoothens bowels function. **K-Trecious Botanical Beverage Mix Blackcurrant With Spirulina** also boosts the immune system and helps clear bacterial infections in our organs.

Balanced Nutrients

K-Trecious Botanical Beverage Mix Blackcurrant With Spirulina offers a balanced nutrients to adults and children. It nourishes people with digestive problem and provides the required "greens" for those who have no liking for natural vegetables.

K-TRECIOUS BOTANICAL BEVERAGE MIX BLACKCURRANT WITH SPIRULINA

Nutritional Profile

Spirulina contains at least 12 vitamins, 11 minerals, 4 important pigments, 8 essential fatty acids, 6 non-essential fatty acids, 8 essential amino acids and 10 non-essential amino acids. It is the best whole-food, a rich source of enzymes, GLA, important nutrients such as vitamin B, minerals, trace elements, chlorophyll, sulfolipids, phycocyanin, SOD, RNA and DNA. It has up to 70% of complete and highly digestible protein. Spirulina also contains more beta carotene than any other whole-food.

On the other hand, **K-Trecious Botanical Beverage Mix Blackcurrant With Spirulina** contains blackcurrant which is not only rich in proteins and carbohydrates, but also high in calcium, potassium, phosphorus, vitamin C, anthocyanin, phenolic substances and many more which are beneficial to the human body. The calcium content in blackcurrant fruits is the highest among all fruits while it also contains 3 times the vitamin C content of an orange. Besides that, blackcurrant is full of antioxidant ingredients that play the role in anti-inflammatory function.

Other Benefits:

- Helps to balance a healthy cholesterol level
- Strengthens the immune system
- Assists in weight management
- Provides high iron bioavailability
