- ✓ Controls hair fall
- ✓ Strengthens hair
- ✓ Increases hair volume

Whether you are a man or woman, young or elderly, the problem of hair loss may happen to you due to the effects of emotional stress, diet, medication, physical illnesses or the environment. Hair loss is a normal phenomenon as it is part of the hair follicle metabolism. Even so, excessive hair loss will affect our image and confidence.

There is a wide array of hair cleaning products as well as hair tonics in the market, but some of these products may contain chemicals which can cause contact dermatitis, abnormal hair loss, red and swollen scalp, rashes and itching etc. Therefore, choosing a good hair cleaning product is the first step in a hair care regimen.

K-Active Hair Shampoo Plus & K-Active Hair Tonic Plus is formulated based on many years of research and development in Germany. Its unique formula consists of a variety of active ingredients, which work to provide necessary nutrients and counter hair problems resulting from scalp imbalance and undernourishment so that the hair looks fuller, healthier.

K-**ACTIVE** Hair Shampoo Plus

K-Active Hair Shampoo Plus cleans scalp and hair gently yet thoroughly to remove impurities such as excess sebum, dandruff flakes and styling product build-up. It also contains conditioning complex to give nourishment to the hair and scalp.

Main Active Ingredients of K-Active Hair Shampoo Plus

Hydrolyzed Wheat Protein

Gives strength to the hair and normalizes scalp moisture. It also prevents excessive sebum secretion.

Safflower Oil and Plant Extracts

Protect hair, stimulate blood circulation as well as promote oxygen and nutrient supply to the hair cells.

Piroctone Olamine

Counters formation of dandruff caused by bacteria and to protect against further formation of dandruff.

Polyquaternium-11

Conditioning compound that makes hair soft and easy to comb.

For best results, use **K-Active Hair Tonic Plus** after drying your hair.
